I work as a leading process engineer. Extensive experience in design and 3D modeling (KOMPAS, SolidWorks, Inventor, ProEngineer). I am developing in JAVA development. I am taking the Java Basics Upskill online course at EPAM, as well as various webinars, marathons and free courses.

### Hard skills

Java	Maven
Spring	HTML
Junit	IntelliJ IDEA
Git	

### Foreign languages

English — Elementary (Beginner)

### Education

BNTU | MEF  
«Tool production technology»  
Higher education | 09.2005 - 06.2011

### Courses

EPAM | Online | 11.2020 - 03.2021  
Course "Java Basics"

EPAM | Online | 03.2021 - until now  
Course "Java Basics Upskill Lab"

ITVDN | Online | 07.2021 - 09.2021  
Course "Java Developer"  
Certificate for Testprovider:  
[TP69745306](#) - Java Starter  
[TP35933273](#) - Java EE Basics  
[TP28332316](#) - JDBC & Hibernate  
[TP72998692](#) - Git basics  
[TP59390149](#) - Spring  
[TP11562388](#) - Building Applications with Spring Data

Java Guru | Online | 02.2021 - 03.2021  
Course "RPA (telegram bot)"

ITEA | Online | 09.2021 - 09.2021  
Course "HTML-marathon"

Java Rush | Online | 08.2020 - until now  
Course "Java Syntax & Core"

### Soft skills

- |                    |                |
|--------------------|----------------|
| • Sociability      | • Tenacity     |
| • A responsibility | • Organization |
| • Quick learning   | • Initiative   |

### Work experience

#### Leading Process Engineer

CJSC Belgee | Borisov district  
08.2020 - until now  
Ensuring the technology and quality of production of bodies in the welding workshop

#### Workshop foreman

CJSC Belgee | Borisov district  
07.2016 - 08.2020  
Personnel management, support for the production of bodies in the welding workshop

#### Process Engineer

LLC Belavtozapchast | Zhodino  
02.2015 - 07.2016  
Hydraulic cylinder production technology

#### Design engineer

LLC Snackpro | Smolevichi district  
05.2013 - 01.2015  
Design of units and mechanisms for the food industry

#### Design engineer

LLC Belavtozapchast | Zhodino  
10.2010 - 05.2012  
Construction of special devices and hydraulic cylinders

#### Head Office

JSC HFP | Zhodino  
02.2008 - 10.2010  
Personnel management, development of control programs for CNC machines

#### Design engineer

JSC HFP | Zhodino  
08.2005 - 02.2008  
Development of software for CNC machines, design of special devices

### Projects

#### Java Learning Projects

Learning Projects for courses at EPAM, Java GURU, Java Rush, ITEA, telegram bot projects  
<https://github.com/vitalikulsha>

#### Construction work projects

Selective construction and 3D-modeling work projects in KOMPAS, Inventor, ProEngineer
